

Title of the Prospective Thesis

Keywords: Keyword 1, Keyword 2, Keyword 3, Keyword 4

Paragraph one (preferably 3-5 lines), where you explain the main/mother field. The following figure is an example one where you can put a nice banner-like representative figure from your own field.

Paragraph two (preferably 7-10 lines), where you explain the sub-field.

Research plan: Upon carefully reviewing the literature,, ... this is where you explain what is the objective of the prospective project (preferably in 4-6 lines).

If this proposal appeals to you as an M.Sc. project, please contact us for more information.
